

CPL CHARITY WORK COMPREHENSIVE REPORT TILL 2025

THE BRIEF HISTORY OF CPL MINISTRY

The history of **Christian Prayer Link CPL** dates back to 2018. It was started by inspiration and divine guidance as a small inter denominational Prayer Ministry through prayers, fasting, teachings, preaching, charity works and evangelization with a membership of about 29 which has since attracted people within and beyond the Zambian Boarders. The ministry has to date grown to more than 1000 regular members. The **CPL** is a registered Association of Christians that have come together to form an Association in accordance with the provisions of the Societies ACT, to undertake and fulfil its mandate and overall compliment Government efforts of the declaration of Zambia as a Christian Nation. **CPL** has members from **Zambia, Kenya, United Kingdom (UK), Nigeria, Zimbabwe, United States of America (USA) South Africa, Malawi** etc. **CPL**'s goal is to establish indigenous ministries amongst the unreached people groups and make Christ be known to the World.

THE BRIEF HISTORY OF CPL MINISTRY

As a soul winning ministry, **CPL** upholds the bible as the true Word of God, and seeks to align its vision, structure and ministries according to Mathew 25:31-46 and Galatian 2:20. At the core of its heart, **CPL**'s greatest desire is to be passionate about the things of God and to invest its fullest energies in the things that please God and to fulfil the prayer of Christ that all believers are one and united. The Ministry has a strategic plan and a constitution which stand as tools for ensuring that the ministry is aligned to its vision and God's mandate. **CPL** ministry is blessed with; passionate leaders, ministry partners (who support God's work financially) and those committed to the ministry around common goals that channel **CPL** energies and resources to the highest returns for the Kingdom of God. The organization carry out practicing the word called charity Activities in Eastern, Northern, Lusaka, Central and Copper belt, Northwestern and Luapula provinces on the quarterly basis and as needs demands according to John 21:15-17, **CPL** visits Prisons, Schools, Hospitals, Orphanages, Streets and Individual homes and has adopted some children it supports. This report will highlight some charity activities carried out in some provinces.

MEAL WITH STREET KIDS COPPERBELT PROVINCE

Among other successful charity activities carried out, was a Christmas meal shared with the street kids from the streets of Ndola. The event was marked with sharing the word, interactions, entertainment and sharing of meals. a total number of 35 Children where fed that day.

These children a majority are homeless and slept in the streets. Had one to Zero meal a day. They spent their days begging for food and pick pocketing, clothing is not in their priority list as confessed by most children spoken to. Some children wished to go back to school but had not Means. **CPL** Ndola is working with some orphanages and care homes to see if some of the children can be taken up. The ministry has also members from the social welfare office who give guidance on the children welfare and recommendations.

PRISON VISITATION
COPPER BELT PROVINCE

CPL Ndola has also successfully visited the prisons mostly the women inmate several times, during the visitation it took advantage of not only sharing food staffs but also the word of God. From the visitation a plea was made by inmates to help in providing them with diapers for the children as some inmates had babies and it was difficult to find diapers for their younger ones, the women also asked for support inform of sanitary wear. Following the request from the inmates the Organization has drawn up a program for frequent prison visitations in all provinces.

HOSPITAL MINISTRY COPPERBELT, NORTHERN & LUSAKA PROVINCES

CPL has successfully visited members and nonmember hospitalized. Most of the hospitalized patient had no financial capacity to buy medicines, food and other essentials like diapers. Ndola **CPL** alone managed to visit a total of 25 patients in 2024 and offered the needed supplies until most of them where discharged from the hospital and unfortunately we lost one patient, she was a cancer patient. The organization has a lot of medical personnel and in their capacities have managed to help a lot of patients beyond their conditions of service under the **CPL** Umbrella. **CPL** Ndola has provided glasses to 3 vision impaired males who had no means of buying glasses. The organization has financed a successful eye operation of one youth. The organization has plan to partner with Eye Zambia and discussions are underway. A program and letters have since been drawn to frequently visit the Hospitals. Below is the program and draft sample of the letters.

HOME VISITATIONS OF THE AGED NORTHERN PROVINCE

CPL has visited a number of homes in Northern Province to share supplies and evangelize. The elderly visited had no financial means and where in need of Food and groceries. The membership in Northern Province comes together from time to time and contribute towards the purchase of the needed items. More than 20 houses where visited in 2024.

HOME VISIT OF THE CHILD RUN HOME AND ADOPTION- COPPERBELT PROVINCE

CPL visited one child run home in 2022 and has followed up this family to date. The Home is run by a now 19 year old blind boy. There six in the family, three where born with vision problem, two have had successful operations which has resulted in one regaining her site. The older one is still undergoing medical procedure. The organization has managed with the help of the social welfare department in ndola to find two homes for two children one has been admitted at place of Hope and the other one (Austistic) has been admitted at St Anthony special needs home. **CPL** took up the responsibility to support the eldest (Ninteen year old) school needs and the boy has since graduated from high school and Got 9 points at grade 12. Plans are underway to sponsor the boy to university after he completes the medical procedures he is currently undergoing, the organization is organizing funds to sponsor the boy for 2026 intake, the boy's choice of study is journalism or education. **CPL** has also been supporting an orphan from Kasama Northern Province who is now at University of Zambia on student loan.

CPL ORPHANAGE VISITATION- LUSAKA AND CENTRAL PROVINCES

Above one picture of the visitation to the orphanage. **CPL** has visited more than 5 orphanages in Copper belt, Central and Lusaka provinces. During the visits the word of God was shared and supplies such as food, diapers and clothes where offered to these orphanages. The ministry has continued to be in touch and have relationships with these orphanages and the organization has continued to receive financial, material and spiritual requests from these orphanages. A plan to frequent these orphanage visit has been drawn due to the high demand.
